November 2, 2012 December 12, 2023	#9 Resolution # 2023-2015

GENERAL POLICY:

Purpose:

That if a household within the Town of Grand Coulee requires an additional recycling and/or garbage bin, one shall be provided to that household. Furthermore, that the household shall pay the Town a yearly fee for having that extra bin service.

Process:

1. Rate payer is to request in writing that they require a second bin.
2. The request shall be provided to the vendor.
3. All additional waste or recycle bins shall be invoiced through the utility billing on the first billing of January of every fiscal year the rate is in possession of the second bin.

Ownership:

The recycle and waste bins remain of the property of the vendor.

Approved to add the ability to apply directly to the Utility billing the first of the year.
