Town of Grand Coulee – Community Update

Help Shape Our Future: Strategic Plan Survey

Council is taking an important step toward planning for the future of our community. We have engaged a consulting firm to assist in developing a Strategic Plan that will help guide the Town's priorities and decision-making in the years ahead.

A key part of this process is hearing directly from you.

We invite all residents to participate in our Community Engagement Survey. Your feedback will help shape priorities, generate new ideas, and ensure the Strategic Plan reflects what matters most to our community.

Survey closes: May 15, 2026

Time to complete: 8–10 minutes

As a small thank-you, participants can choose to enter their name at the end of the survey for a chance to win a prize. All name and contact information provided for the prize draw will be kept confidential by UpFront Consulting and only used for the purpose of the prize draw.

👉 Take the survey here:

Your voice truly matters—please take a few minutes to be part of this important process.

Council Update

We are pleased to share that Doug Conn has been nominated and acclaimed as the newest member of Council. Be sure to welcome him when you see him around the community.

At the same time, Barrett Stang has resigned from Council due to an unexpected move. We thank him for his contributions and wish him all the best.

Nominations to fill the vacant Council seat are open until May 6 at 4:00 PM. For more information, please visit the Town website, contact the office, or stop by in person.

Budget Update

The Town's budget process is nearing completion. In keeping with Council's commitment to transparency:

A full version of the approved budget will be posted on the Town website

A simplified summary version will also be available for easier review
