

Canada Post: Update Regarding the New Address and Postal Code Changes

You should have received a letter in your mailboxes from Canada Post.

The letter contains your new civic address and postal code. The Town of Grand Coulee and surrounding area will now be using a civic address; there will no longer be box numbers for Grand Coulee and surrounding area.

New keys should have been placed in your mailboxes this July 30, 2022.

On August 12, 13, and 14 new mail boxes will be installed on Broadway Avenue.

On Monday August 15, 2022, (using new address and postal codes) mail will resume.

Complimentary change of address forwarding for 1 year (from your site 200, Box ### to the new civic address)
