Don't forget to Say hi to our new Foreman Whitney Bascu.

He started with us full time on January 8th 2024.

He along with Jim, will continue to provide our community with great service through the year.

A reminder, to try and keep the garbage bins out further off the curb to help reduce the breakdown of the roads, and please let us know if there are any issues by emailing the office at grandcoulee.cap@sasktel.net or call 306-352-8694.

Grand Coulee's New Website Launch Announcement

We are thrilled to share the exciting news of the launch of Grand Coulee's revamped website! While retaining its familiar layout, the new website will soon introduce additional services aimed at enhancing your experience with the town. In the coming months, expect to see the rollout of features such as service requests, fillable hall forms, a complaint and concern registry, and an information requests section.

Thank you for your continued support as we strive to improve and innovate for the betterment of our community.

To access the new website and explore these upcoming services, please visit [Website](#).

These additions are designed to provide you, our valued ratepayers, with more opportunities to actively engage with the municipality. We look forward to the positive impact this will have on community involvement and communication.

Highlights from the past meetings

There will be another meeting, January 17th, with AE in attendance to review in more detail. Next step will be call a town hall meeting to provide the town citizens the findings and recommendations to design the road program going forth. Please watch for notices in the next couple

of weeks
