**Hello Grand Coulee Community!**

My name is **Makenzie Peters**, and I moved to Grand Coulee two years ago. From the moment I arrived, I fell in love with this vibrant community and saw its incredible potential. I wanted to be an active member, so I put my name in during the midterm election and have had the privilege of serving on the council for the past year.

During my time on the council, I've enjoyed collaborating with fellow council members and community members to build on the work of past councils. Together, we've made significant strides in improving our community, and I believe there's so much more we can achieve.

I highly recommend taking some time to think about the impact you can make on our community. Your voice matters, and by getting involved, you can help shape the future of Grand Coulee. Whether it's attending council meetings, volunteering for local events, or simply sharing your ideas, every contribution counts. Let's work together to create a brighter future for Grand Coulee.

## **CUSTOMER PORTAL!!!!!!**

We are pleased to inform you that starting in September, you will be able to access your utility bills, receipts, and tax notices online through our new Customer Portal. This new service will allow you to easily view and manage your municipal documents at your convenience. You can also begin now, if you so choose. If you have already signed up to receive eNotices for your utility bills, receipts, or tax notices, you are automatically registered as a user on the Customer Portal. However, the first time you access the portal, you will need to register as a new user to set up your login information.

### **To get started:**

1. Visit our Customer Portal LOGIN page. [Click here to go to the customer portal](#)
2. Under "NEW CUSTOMERS REGISTER HERE," enter the following information:
3. Name : (your name)
4. Customer Number
5. Email (this must be the same email address you used to sign up for eNotices)
6. Create a password (minimum of 8 characters) and re-enter it to confirm.
7. Click the REGISTER button to complete the process.

Once registered, you will be directed to your Customer Portal Dashboard. Going forward, you can access the portal by simply entering your email and password under "RETURNING CUSTOMERS SIGN IN HERE."

If you forget your password, you can reset it using the "FORGOTTEN USERNAME OR PASSWORD" utility at the bottom of the LOGIN page.

We will notify you via email whenever a new bill or notice is available for you to review, similar to notifications from SaskPower.
