4 – On July 2nd, White Butte Butte RCMP was called for service in the RM of Sherwood to the Southwest from the City of Regina. The call was due to a possible suicidal male that was last seen in the area by a friend. Members attended to the scene, found the male, and began to investigate a sudden death. The coroner's office was called, and they attended the scene as well. Investigation suggests that it was an apparent suicide. File 2025-937755 refers.

5 - ***Original*** On September 26th, 2023 White Butte Detachment opened an investigation due to information received that there were drugs being trafficked in/at the Regina Provincial Correctional Centre. The investigation is open and active. So far there may be up to 16 inmates involved with the file as well as a Correctional Centre Guard that may or may not be involved in the trafficking. It is suspected that this will be an overly complex and involved file due to the number of people involved and the culture surrounding these types of offences. ***Update*** 2025-07-04 The investigation has now concluded with many judicial authorizations being sought and many days and weeks pouring over all the results of those judicial authorizations. Members have arrested and charged 44-year-old, Justin Amyotte, from Regina, a former correctional officer with Section 465(1)(c) conspire to commit indictable offence, Section 122 breach of trust by a public officer and Section 354(1)(a) possession of property obtained by crime over \$5000.00. This investigation is extremely sensitive and will take some time to complete. File 2025-1028250 refers.

7 – On July 21st, White Butte Detachment received a complaint from a victim couple advising they have received threats against their business and their family. Multiple threats have been coming to them through various social media platforms and appears to have ties to organized crime groups that operate overseas. Similar circumstances / complaints have been observed in other parts of Canada and are believed to be credible and quite concerning. RCMP have been working hard to identify persons of interest / suspects and have interviewed and understand

that there are currently now two persons of interest attached to the file. Members have been writing search warrants and production orders in efforts to bring the file to charge stage. Security measures have been established as well as safety planning with the couple. White Butte has additionally been working with task forces in British Columbia and Ontario as partners in this very large-scale investigation. Files 2025-1044960 and 2025-1123983 refer.

8 – On August 13th, White Butte Detachment received a complaint at the detachment from a spouse concerned that her husband was going to hurt himself.
