Grass Clippings

Did you know that a pile up of grass clippings, as well as being unsightly, can create a haven for rodents and cause quite a stench? To avoid these issues it is recommended that you scatter your clippings into your own private property or bag and dispose of them into your garbage bin.

Winter Prep

With the chill in the air it is time to prepare your home and property for winter. Make sure you clean your gutters and eaves, turn off any outside faucets, and make sure your driveway culverts are free of debris and garbage.
