Council Highlights

- Council approved the recreational field advertising agreement. In our quest to promote businesses servicing the Grand Coulee area, this agreement will give them the opportunity to have quality signage displayed along the fence of the new field. For more information or to be one of the first to explore this advertising option, contact the Town office.
- Due to elections, the date for the next Council meeting is to be announced.

Lagoon Sewer Main Upgrade

October 13th, work started on upgrading the sewer main pipe that feeds the lagoon (across the field north of town). This upgrade will increase the capacity of our sewer system and ensure we can continue to provide quality service to all residents. There are no planned interruptions to the sewer service during the course of the project. Please avoid the construction area.

Municipal Election

This year, residents will be going to the polls to cast their ballot for Mayor. Your candidates are Walter Botkin and Lois Herback. The Advanced Poll is scheduled for Monday, November 2 from 6:00 p.m. to 8:00 p.m. and the regular Poll is on Monday, November 9 from 9:00 a.m. to 8:00 p.m. Help shape the future of your community, get out and vote!

All Council positions have been acclaimed. Your new Council members (effective after Nov. 9th) are: Lee-Ann Ross, Neil Shaw, Timothy Eveleigh, and Courtney Tollestrup.

Email Issues

Previously, we informed you that Yahoo email addresses were rejecting Sasktel emails. Now, Hotmail and Outlook email addresses have blacklisted Sasktel. If you have any of these types of email accounts AND you are not receiving message from the Town, please call us at 306-352-8694. Anyone who normally receives their utility bill via email to one of these addresses, please note that we are making every effort to ensure you get the message including mailing out physical copies. Sasktel is aware of the issue and is working to correct it.

Is your home winter ready?

With the chill in the air and leaves falling, it is time to prepare your home and yard for winter. Make sure you clean your gutters and eaves, turn off any outside faucets, and make sure your driveway culverts are free from debris and garbage. This will protect your home and property during the cold weather and spring thaw.

Utilities & Payments

Water readings will be done in Area #3 this month (see map below). Should you prefer to have an actual reading each month, it is your responsibility to either phone or email your reading to us by the 29th of each month. If you would like to receive a monthly email reminder to send in your meter reading, email grandcoulee.cap@sasktel.net asking to be added to the list.

Did you know you can receive your utility bills and tax notice via email? If you would like to sign up, send us an email at grandcoulee.cap@sasktel.net.

Any payments to the Town can be made by electronic banking (online bill payment), e-transfers, cheques or cash. Please do not put cash in the drop slot.

Did You Know?

The Town has an unofficial business listing on our website. If you are interested in adding your business to the site, please email grandcoulee.cap@sasktel.net.

Halloween

Due to COVID-19, the Recreation Board is unable to host Halloween activities like they have in past years.

The Town and the Recreation Board hope that homes and trick-or-treaters planning to participate in Halloween do so following all provincial guidelines.

To view the latest provincial Fall Activity Guidelines visit www.saskatchewan.ca/coronavirus

Pedestrian Safety

With school back in we want to remind residents to watch for pedestrians, obey school bus lights, and ensure you are following the Town speed limit of 30km/hr.

Flu shot clinics start Oct.19
